

MEDRAY PRIME

The complete hands-free laser system.

Introducing "Cruise Control" with **MEDRAY PRIME**

The MEDRAY PRIME Class IV Laser System represents state-of-the-art technology that allows the clinician to treat all body parts and conditions

Never before has a 27.2 w. quad wavelength laser been offered that gives you and your patients incredible hands free treatment capabilities while allowing the doctor to see other patients at the same time.

MEDRAY PRIME is designed to be staff driven with over a dozen preset conditions. A quick three touch sequence and you are treating.

Everything needed is priced at only \$12,995. Simply stated, there is no other hands free system like the MEDRAY PRIME.

STAR.
STATIONARY THERAPEUTIC APPLICATION OF RADIANCE

*Hands-Free, Non-Contact
Class IV Laser Therapy*

**UNBEATABLE
PRICE.
SERVICE.
PERFORMANCE.**

You can also upgrade your MEDRAY PRIME System to a full and complete laser with MEDRAY PRIME PLUS. This \$3,500 option unlocks and adds additional features of the MEDRAY PRIME System such as: full attended capabilities, ability to make and save treatments, adjustable power levels, MEDROLL upgrade, MEDRAY emitter cage and more.

The Medray Prime System is designed for hands free treatment only.

- 27.2 watts of Class IV laser power: 650, 810, 915, 980 nm all at once
- Fully 510k FDA compliant
Many imported lasers or LED units have no FDA compliance at all
- Complete hands-free and patient-free contact and treatment
